

Forward Bin Dumper

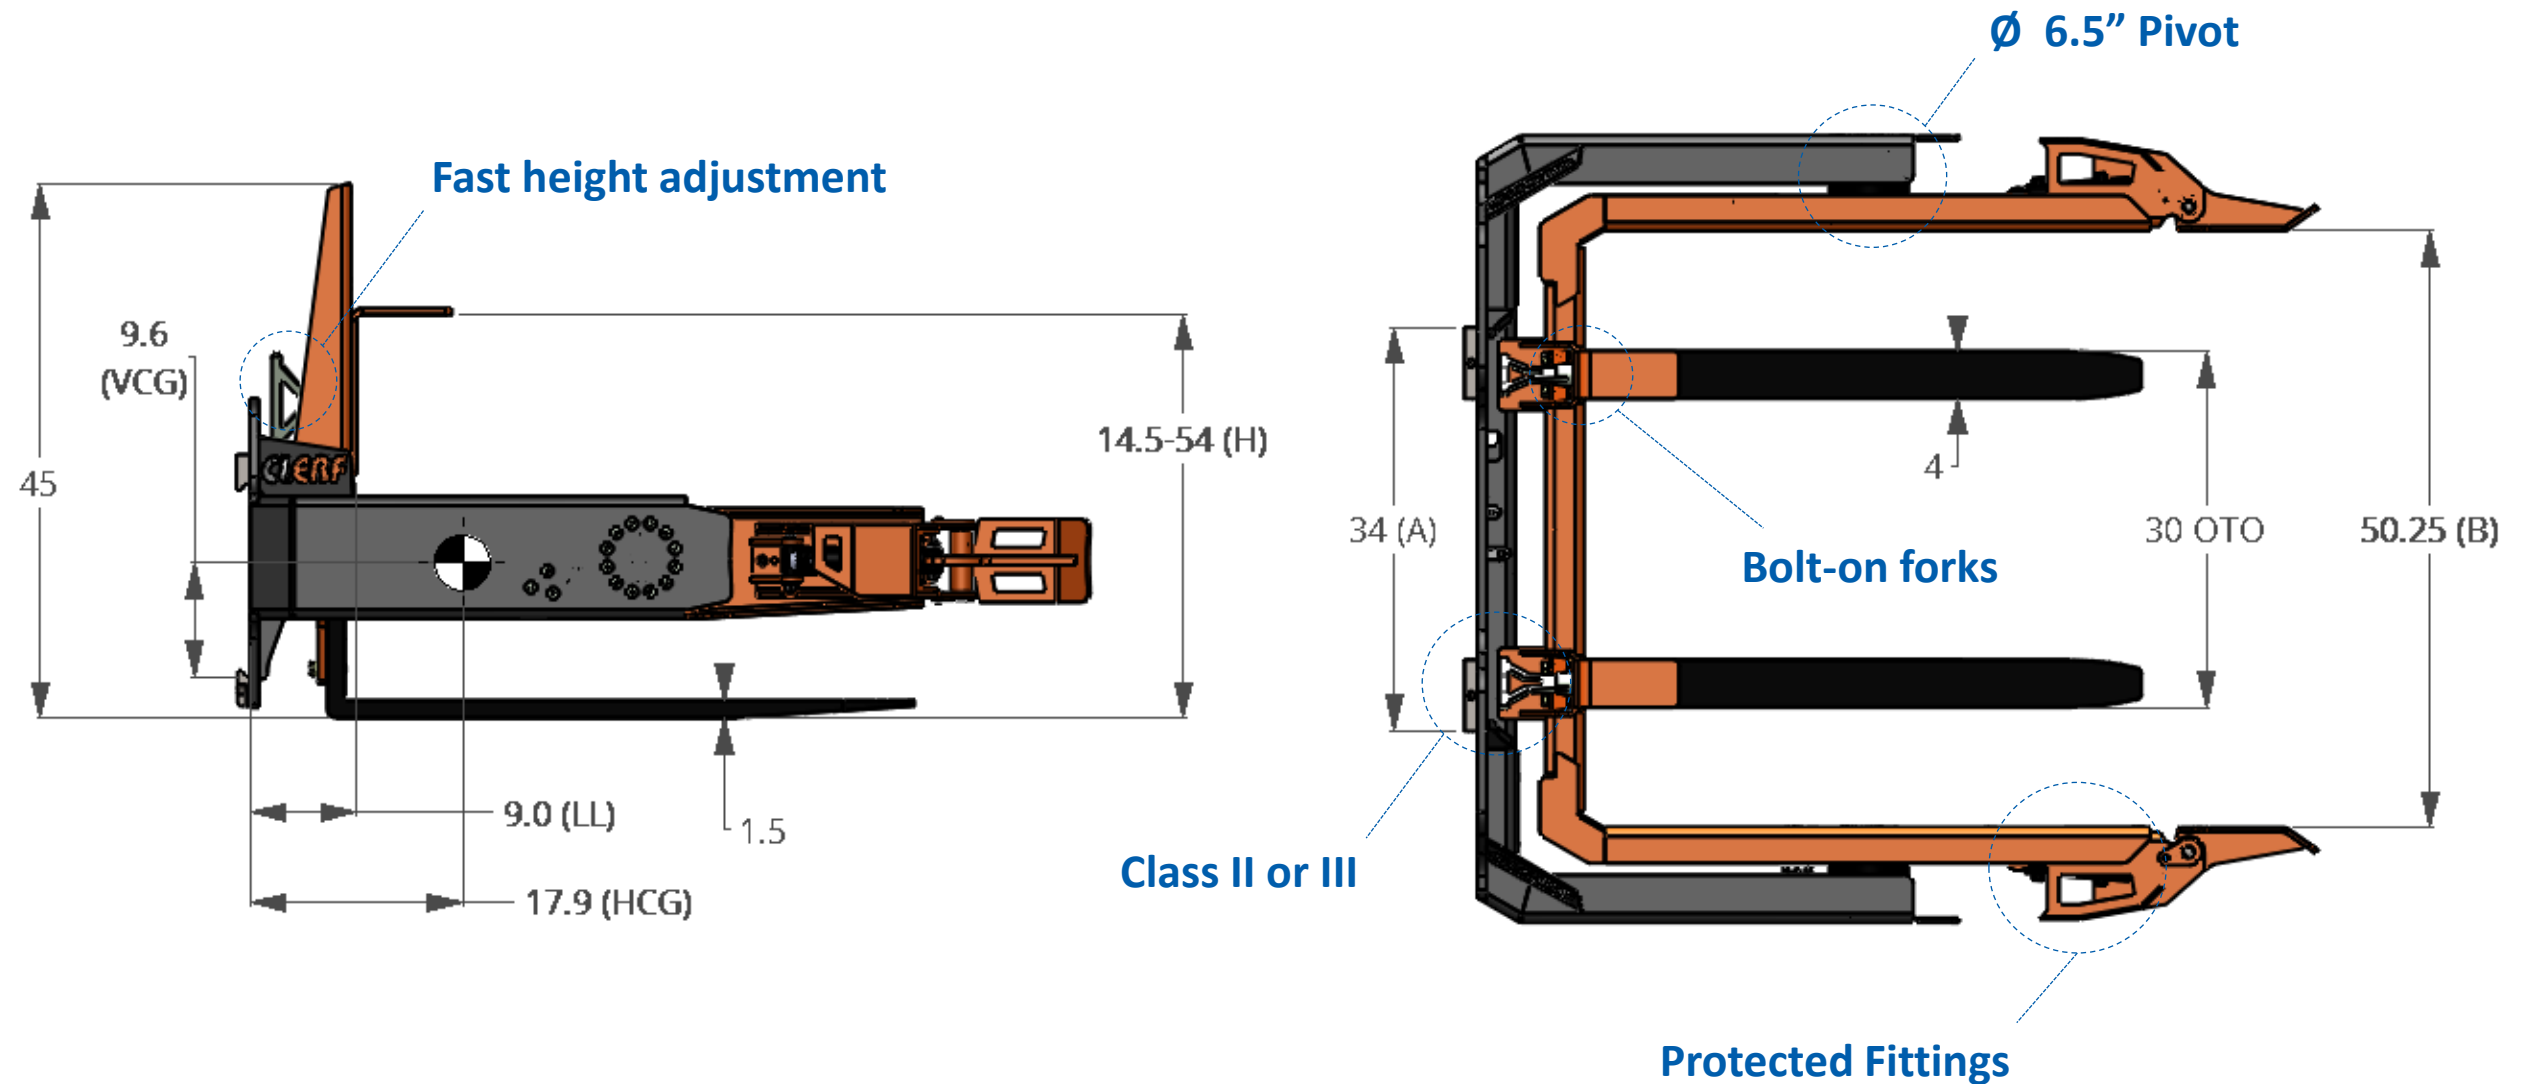

Benefits

- **Long lasting:** Built to last without self-destructing
- **Easy to maintain:** Replacing bolt-on parts is fast and affordable
- **Fast dumping:** Sticky loads come out quickly with more rotation
- **Universal:** Handle 12-48" bins with a single attachment
- **Safe for food:** Top bin stops do not break off into hoppers
- **Versatile:** The same unit fits on both Class II and III carriages
